

WORDS FROM PRESTIGEAN

Harshita Kanungoo
B.Com (CA) Student

Prestige - "World of Memories". My Lots of respect and admiration for the Prestige Institute of Management & Research, Dewas. I feel proud to be a Prestigean. I've almost completed 3 years on the campus, and the Institute is continuously providing the best knowledge, education, and growth opportunities to the students. I am so glad to be part of the prestige family. The faculties here are supportive and they help us achieve our future prospectus. Here through student development cell, I got a platform to express myself and know my true potential. Placement cell helped getting placed while pursuing my graduation degree and I can see my bright future right from here. Prestige is all about giving the right directions to the students. At last, I want to thank all the faculties of prestige for endeavoring our future.

Prestige Institute of Management & Research, Dewas (PIMR, Dewas) is conceived as a unique growth oriented Institute of management education and training. The Institute was launched in the year 2001 with the solemn objective of catering to the educational and training needs of the students, non-resident Indians, foreigners residing in India and executives from industry and government.

The uniqueness of the Institute lies in its provision to elaborate spectrum of management programs under one roof, on-the-job training, university examination, emphasis on quality education / training and building of cultural values and development of dynamic personality. PIMR, Dewas is a fully recognized Institute in central India. Within a span of 22 years in Dewas, the Institute is able to achieve high levels in Central India.

B.COM

Full Time (60 Seats)

So, what is B.Com course exactly? Bachelor of Commerce (B.Com) is an undergraduate program that provides a comprehensive understanding of the fundamentals of accounting, finance, economics, marketing, and business law, while also providing real-world exposure through case studies, internships, and industry collaborations delve into financial analysis, taxation principles, marketing strategies, and delve into the intricacies of business operations. Core commerce subjects like accounting, economics, marketing, management, and business law.

The Institute combine well-structured B.Com program with theoretical knowledge and practical application into our teaching methods to help students stay ahead of the curve, emphasizes application and hone your critical thinking skills.
